

**NORDIC
HOT TUBS™**

The STAR of the Hot Tub Industry

Over 25 years ago, it all started with a single round hot tub. Now, Nordic continues to lead the industry in providing high-quality, therapeutic, and affordable hot tubs, all proudly made in Michigan. At the heart of our mission is Nordic's STAR philosophy, ensuring every hot tub is Simple, Therapeutic, Affordable, and Reliable.

- 🌀 **Simple**...Nordic Hot Tubs are simple to use and operate. Not a lot of bells and whistles, simply great quality.
- 🌀 **Therapeutic**...Nordic Hot Tubs have DTS™ (Dual Therapy System) with direct pressure massage and whirlpool therapy in EVERY tub for the ultimate hot water experience.
- 🌀 **Affordable**...Nordic Hot Tubs are offered in 5 series so you can find the perfect hot tub at the right price making us your Perfectly Affordable Luxury!
- 🌀 **Reliable**...Nordic Hot Tubs have an industry leading warranty. We use top quality components and we stand behind every Nordic Hot Tub.

Industry Leading Warranties

LIFETIME SHELL

We warrant against the loss of water through the shell caused by defect in materials and workmanship for the lifetime of the original purchaser or as long as the original purchaser owns the hot tub.

THREE YEAR COMPONENT

We warrant the electrical components, pumps, air valves, slice valves, and hot tub components against malfunction, leaking or defects in materials or workmanship for a period of three years from the original date of purchase.

FIVE YEAR HEATER

We warrant the heating element of the hot tub to be free of defects in materials and workmanship for a period of five years from the original date of purchase.

THREE YEAR NO LEAK

We warrant the hot tub to not leak for a period of three years from the original date of purchase.

TEN YEAR PERMA-WOOD CABINET

We warrant the PermaWood cabinet material to be free from defects in material and workmanship for a period of ten years from the original date of purchase.

ONE YEAR CEDAR CABINET

We warrant the natural cedar cabinet (when applicable) – to be free from defects in materials and workmanship for a period of one year from the original date of purchase.

Hydrotherapy Benefits

- 🌀 **Physical & Health Benefits:** Regular use of a hot tub soothes sore muscles, improves circulation, and aids pain management, contributing to better physical well-being and muscle health. Additionally, hot tub hydrotherapy helps relieve symptoms of arthritis, joint pain, and fibromyalgia by promoting mobility and easing discomfort, thus enhancing overall health and quality of life.
- 🌀 **Psychological Benefits:** Soaking in a hot tub can reduce stress, alleviate tension, improve sleep, which can have positive effects on mental health and emotional well-being.

Dual Therapy System

Nordic's DTS™ Dual Therapy System combines high volume whirlpool flow and targeted direct pressure jets giving you the ultimate in hot water therapy.

- 🌀 **RESTORE...with Direct Pressure Therapy** and get instant relief to tight and sore muscles.
- 🌀 **HEAL...with Whirlpool Therapy** and create a powerful high-volume, all-over massage to help relax muscles, reduce lactic acid and minimize swelling and soreness.

LUXURY SERIES

As the top series, the Luxury Series offers all desired features with a focus on simplicity and value. Featuring dual pump systems for exceptional hydrotherapy, along with standard Dual Therapy System™, adjustable stainless steel jetting, and Northern Light Package, this series represents top-of-the-line quality at a affordable price point.

SPORT EDITION

The Sport Edition tubs are comfortable and stylish with outstanding performance. Building on the Modern Series, featuring increased horsepower for the highest water flow available, delivering more intense and therapeutic jet pressure. These tubs also include an LED light, adjustable stainless steel jets and Dual Therapy System™ as standard features.

MODERN SERIES

The Modern Series features versatile hot tubs offering customizable seating capacity, depth, and layouts, with the flexibility for both 110V and 220V electrical hookups. Standard features include Dual Therapy System™, adjustable stainless steel jets, and an LED light.

CLASSIC SERIES

The Classic Series embodies the Nordic Passion with its iconic round hot tubs offering exclusive Dual Therapy System™ and comfortable barrier-free seating. Standard features include adjustable stainless steel jets and an LED light, with most models convertible for 110V or 220V electrical.

ALL-IN-110V SERIES

The 110V Series offers a convenient "Plug N Play" hot tub with our exclusive Dual Therapy System™. The All-In-110V Series includes standard features typically found in top-of-the-line models, including adjustable stainless-steel jets, LED lighting, ozone, GFCI cord, and Nordic Wrap™ insulation.

RENDEZVOUS LS

With dual barrier-free bench seats, the Rendezvous™ LS is a wonderful hot tub to relax in. Additionally, two step-in/cool-down seats offer ease of entry into the hot tub while experiencing optimum DTS™. This model includes the Northern Light Package.
